(Including John's theme, Is It Me?)

Laugh and say I'm green  
I've seen things you'll never see.  
Talk behind my back  
But I'm off the beaten track.  
I'll take on anyone  
Ain't scared of a bloody nose,  
Drink till I drop down  
With one eye on my clothes.

What is it? I'll take it.  
Who is she? I'll rape it.  
Got a bet there? I'll meet it.  
Getting High? You can't beat it.

Doctor Jimmy and mister Jim  
When I'm pilled you don't notice him,  
He only comes out when I drink my gin.

You say she's a virgin.  
I'm gonna be the first in.  
Her fellah's gonna kill me?  
Oh fucking will he.  
I'm seeing double  
But don't miss me if you can.  
There's gonna be trouble  
When she choses her man.

What is it? I'll take it.  
Who is she? I'll rape it.  
Got a bet there? I'll meet it.  
Getting High? You can't beat it.

Doctor Jimmy and mister Jim  
When I'm pilled you don't notice him,  
He only comes out when I drink my gin.

Is it me? For a moment  
The stars are falling.  
The heat is rising

The past is calling.

Is it me? For a moment  
The stars are falling.  
The heat is rising  
The past is calling.

I'm going back soon  
Home to get the baboon  
Who cut up my eye,  
Tore up my Levis.  
I'm feeling restless  
Bring another score around  
Maybe something stronger  
Could really hold me down.

What is it? I'll take it.  
Who is she? I'll rape it.  
Got a bet there? I'll meet it.  
Getting High? You can't beat it.

What is it? I'll take it.  
Who is she? I'll rape it.

Doctor Jimmy and mister Jim  
When I'm pilled you don't notice him,  
He only comes out when I drink my gin.

Is it me? For a moment  
The stars are falling.  
The heat is rising  
The past is calling.

Is it me? For a moment  
The stars are falling.  
The heat is rising  
The past is calling.
