3:36, it's cold, I know I'm growing old,
With life's best side on the downward slope,
It's in my own hands, I know I'll cope,
My girl's with me and all my friends can see.

Here I am again,
Early morning cold taxi.
Early morning cold taxi.

Done it before, do it again,
Know from experience it's not in vain,
She's the best I've had, I cannot see, what someone
else can do to me.
It's a long way home but love's so warm, you'll see.

Here I am again,
Early morning cold taxi.
Early morning cold taxi.

Early morning cold taxi,
Each time I do it, I feel so down and out
Early morning cold taxi,
'though my mind thinks strange I'll keep on, no doubt.

3:36, it's cold, I know I'm growing old,
One day we'll be wed,
This I know for it's what she said,
Then no more will my mind be uneasy.

Early morning cold taxi,
Each time I do it, I feel so down and out,
Early morning cold taxi,
'though my mind thinks strange I'll keep on, no doubt.

3:36, it's cold, I know I'm growing old,
One day we'll be wed,
This I know for it's what she said,
Then no more will my mind be uneasy.

Here I am again,
Early morning cold taxi.

Early morning cold taxi.
