I went to the fortune teller  
To have my fortune read  
I didn't know what to tell her  
I had a dizzy feeling in my head

Said she'd take a look at my palm  
Said "Sonny you feel kind of warm"  
She looked into her crystal ball  
And said "I see lo--ove."

I said it could not be so,  
Not with all the girls I know.  
She said when the next one arrives  
Take a look into her eyes.

I left there in a hurry  
Looking forward to my big surprise  
The next thing I discovered  
The fortune teller told me lies

So I ran back to that woman  
Mad as I could be  
Said I didn't see nobody  
Why'd she made a fool out of me?

At last something shook me  
As if it came down from above  
While looking at the fortune teller  
I fell in lo--ove

Now I'm a happy fella  
I'm married to the fortune teller  
We're as happy as we can be  
- And what's more I get my fortune told for free
