With the chords I'm playing
I can't pretend there's any meaning here
Or in the things I'm saying
But I'm in tune
Right in tune
I'm in tune
And I'm gonna tune
Right in on you
Right in on you
Right in on you
I get a little tired of having to say
"Do you come here often?"
But when I look in your eyes and see the harmonies
And the heartaches soften
I'm getting in tune
Right in tune
I'm in tune
And I'm gonna tune
Right in on you (right in on you)
Right in on you (right in on you)
Right in on you

I've got it all here in my head

There's nothing more needs to be said

I'm just bangin' on my old piano

I'm getting in tune with the straight and narrow

(Getting in tune with the straight and narrow)

Getting in tune with the straight and narrow

(Getting in tune with the straight and narrow)

Yeah, I'm getting in tune with the straight and narrow

(Getting in tune with the straight and narrow)

I'm singing this note 'cause it fits in well

With the way I'm feeling

There's a symphony that I hear in your heart

Sets my head a-reeling

But I'm in tune

Right in tune

I'm in tune

And I'm gonna tune

Right in on you (right in on you)

Right in on you (right in on you)

Right in on you

Baby, with you

Baby, with you

Baby, with you

Baby, with you

Baby, with you

I've got it all here in my head

There's nothing more needs to be said

I'm just bangin' on my old piano

I'm getting in tune with the straight and narrow

Getting in tune with the straight and narrow *[repeat]*
