Each time we come here,
I say we'll never come here again.
Each time we make love,
I say we'll never make love again.

But my little greyhound girl,
You got me running, down the Flat,
My little greyhound girl,
I'm in your trap.

Each time we ride out,
I say we'll never ride out again.
And when we kiss,
I say we'll never, never kiss again.

But, my little greyhound girl,
You got me running down the flat,
My little greyhound girl,
I'm in your trap.

I'm looking for reasons,
I'm looking for reasons!
But there ain't a why, or a wherefore to label on my,
Little greyhound girl,
You've got me running down the flat,
My little greyhound girl,
I'm in your trap.
