On top of the sky is a place where you go
If you've done nothing wrong
If you've done nothing wrong
And down in the ground is a place where you go
If you've been a bad boy
If you've been a bad boy
Why can't we have eternal life
And never die
Never die
In the place up above
you grow feather wings
And you fly round and round
With a harp singing hymns
And down in the ground
you grow horns and a tail
And you carry a fork
And burn away
Why can't we have eternal life
And never die
Never die
On top of the sky is a place where
you go
If you've done nothing wrong
If you've done nothing wrong
And down in the ground is a place
where you go
If you've been a bad boy
If you've been a bad boy
Why can't we have eternal life
And never die
Never die
Never die
