Is what people tell you  
That you're thinking wrong  
Embrace you,  
But they really mean "So long"  
You talk to them  
They laugh aloud  
Yet they run to you  
In any crowd  
Please talk to me again  
I need you  
We're dancing  
We will come and dance near you  
We want to learn  
Let us come and sitar with you  
Distort my ears when  
The music's loud  
Yet you raise your hatchet  
In the yellow crowd  
Please talk to me again  
I need you
