My mind is caught up in a whirlpool

Dragging me down

Time will tell if I'll take the homeward track

Dizziness will make my feet walk back

Walk right back to you

*[chorus:]*

Everything I do, I think of you

No matter how I try, I can't get by

These circles, leading me back to you

Round and around and around and around and around

and around and around and around and around

And round and round like a fool I go

Down and down in the pool I go

Dragging me down

*[chorus]*

There one thing could kill the pain of losing you

But it gets me so dizzy then I'm walking right back  
again

Back to you

Time will tell if these dreams are nearly fact

Don't know why I left, I'm coming back

Coming on back to you
