"You were under the impression
That when you were walking forwards
You'd end up further onward,
But things ain't quite that simple

You got altered information,
You were told to not take chances.
You missed out on new dances.
Now you're losing all your dimples"

My jacket's gonna be cut and slim and checked
Maybe a touch of seersucker with an open neck.
I ride a GS scooter with my hair cut neat
I wear my war time coat in the wind and sleet.

Love reign o'er me.
Love reign o'er me.
Love.

Had enough of living,
Had enough of dying,
Had enough of smiling,
Had enough of crying,
Taken all the high roads,
I've squandered and I've saved,
I've had enough of childhood,
I've had enough of grades.

I've had enough of living,
I've had enough of dying,
I've had enough of smiling,
I've had enough of crying,
I've taken all the high roads,
I've squandered and I've saved,
I've had enough of childhood,
I've had enough of grades.

"Get a job and fight to keep it.
Strike out to reach a mountain.
Be so nice on the outside,
But inside keep ambition.

Don't cry because you hunt them.
Hurt them first they'll love you.
There's a millionaire above you
And you're under his suspicion."

My jacket's gonna be cut and slim and checked
Maybe a touch of seersucker with an open neck.
I ride a GS scooter with my hair cut neat
I wear my war time coat in the wind and sleet.

Love reign o'er me.
Love reign o'er me.
Love.

I've had enough of dancehalls,
I've had enough of pills,
I've had enough of streetfights,
I've seen my share of kills,
I'm finished with the fashions,
And acting like I'm tough,
I'm bored with hate and passion,
I've had enough of trying to love.
