(He's a joker, he's a joker, he's a joker)
Joker James, you did it again, caused somebody pain
(He's a joker, he's a joker)
You lived up to your name, Jimmy, he's Joker James.

Sally was a stamp collector, pretty little girl
One day she dated James, bringing love into her world
A tense romantic moment as they sat down on the
couch
The whoopee cushion roared and I'm afraid it's over
now.

(He's a joker, he's a joker, he's a joker)
Joker James, you did it again, caused somebody pain
(He's a joker, he's a joker)
You lived up to your name, didn't you, he's Joker James.

Lucy was a cool one, always got her high
Then she dated James and true love took her higher
The jester had suggested a new way to get stoned
Put itching powder down her neck and now she's all
alone.

(He's a joker, he's a joker, he's a joker)
Joker James, you did it again, caused somebody pain
(He's a joker, he's a joker)
You lived up to your name, didn't you, he's Joker James.

Sense of humor cannot woo her
Her skin felt like heaven and laughter all the while
Her sense of humor throws him and deep in love he
falls
But when he tries to sign the paper, the rubber pencil
falls.

(He's a joker, he's a joker, he's a joker)
Joker James, you're not to blame, the joke's on you, now
you're blue
(He's a joker, he's a joker)
It's such a shame, but that's the game, he's Joker
James

(He's a joker, he's a joker, he's a joker)
Joker James, you did it again, caused somebody pain
(He's a joker, he's a joker)
You lived up to your name, Jimmy, he's Joker James
