Hey fellas have you heard the news?
Yeah the women in this town have been misused
Yeah I seen it all in my dreams last night
Girls leaving this town 'cause you don't treat 'em right

Ah, take a train (take a train)
Fly by plane (fly by plane)
Leaving here (leaving here)
Leaving here (leaving here)

The love of a woman is a wonderful thing
Yeah the way you treat 'em is a cryin' shame
Yeah I tell you baby it won't be long
Yeah before these women they all have gone

Ah, getting tired (getting tired)
Sick and tired (sick and tired)
They're leaving here (leaving here)
Leaving here (leaving here)

Oh yeah
Oh yeah
Oh yeah
Oh yeah

Leaving here
Ah baby leaving here
Said leaving here
They're leaving here
They're leaving here
They're gonna leave here
Yeah babe babe don't leave here
