Let's see action  
Let's see people  
Let's see freedom  
Let's see who cares

Take me with you  
When you leave me  
And my shell behind us there

I have learned it  
Known who burned me  
Avatar has warmed my feet  
Take me with you  
Let me see you  
Time and life can meet

Nothing is  
Everything  
Everything is  
Nothing is  
Please the people  
Audiences  
Break the fences  
Nothing is

Let's see action  
Let's see people  
Let's see freedom  
In the air  
Let's see action  
Let's see people  
Let's be free  
Let's see who cares

Let's see action  
Let's see people  
Let's see freedom  
In the air  
Let's see action  
Let's see people  
Let's be free

Let's see who cares

Give me a drink boy, wash my feet  
I'm so tired of running from my own heat  
Take this package and here's what you do  
Gonna get this information through

I don't know where I'm going  
I don't know what I need  
But I'll get to where I'm gonna end up  
And that's alright by me

Let's see action  
Let's see people  
Let's see freedom  
In the air  
Let's see action  
Let's see people  
Let's be free  
And see who cares

Let's see action  
Let's see people  
Let's see freedom  
In the air  
Let's see action  
Let's see people  
Let's be free  
Let's see who cares

Nothing is  
Everything  
Everything is  
Nothing  
Nothing is  
Everything  
Everything is  
Nothing
