Layin' on my back
In the dewy morning grass
Rain's coming down
But I know the clouds will pass
You bring me tea
Say the babe's are sleeping
Lay down beside me
Love ain't for keeping

Black ash from the foundry
Hangs like a hood
But the air is more pure
without burning firewood
The seeds are bursting,
The Spring's are seeping
Lay down my darling
Love ain't for keeping

Lay down beside me
Love ain't for keeping

Lay down my darling
Love ain't for keeping
