A real heavy crowd

But inside I still feel lonely now

Should I get away

From the high heels so proud

Is there something different life can show me now

First chance - I blew it, I better start it all again

Second chance - Ooh, I knew it wouldn't be as easy as they said

Third chance - I'm cut up, life's like a razor's edge

Fourth chance - Ooh, I'm all shut up and I'm standing on the ledge

And I'm goin' down (I'm goin' down)

Goin' down (I'm goin' down)

Goin' down (I'm goin' down)

Ooh, down

I'm not a loser

But did I really win?

Can I afford to go through it all again?

I hope I don't sound

As immature as I feel

But when I get wise, I'll give you a call, my friend

First chance - I blew it, I better start it all again

Second chance - Ooh, I knew it wouldn't be as easy as they said

Third chance - I'm cut up, life's like a razor's edge

Fourth chance - I'm all shut up and I'm standing on the ledge

Now I'm goin' down (I'm goin' down)

Goin' down (I'm goin' down)

Goin' down (I'm goin' down)

Ooh, down (down)

Love is coming down on me, ooh yeah

Love is burning, teaching, turning out in me

Love is coming down, down

Down, down

Down, down

I'm not a loser

But did I really win?

I'm lookin' forward to doin' it all again
