

## The Who

### "Mary"

Visit "[Mary](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Mary, you are everything a man could want,  
And I want you, Mary.  
Did you know when you pushed me once away from  
you,  
The thing I knew grew inside me?

People are dancing for you now,  
But I can't see why.  
Can't they see that they can't beat  
Nothing I have for you?

Mary, you are everything a man could need,  
How I need you, Mary,  
Yeah,  
How I need you.

When I look at the hole in your coat,  
I have to love you more,  
I remember when I was a child,  
And my brother slept on the floor.

Oh, I know that the sun don't shine,  
Down on every man,  
But when women let the my brother down,  
I swore one day I'd land.  
Me one Mary  
Swore I'd land me one Mary.  
Oh, Mary.

When I look at the hole in your coat,  
I have to love your more,  
I remember when I was a child,  
My brother slept on the floor.

Oh, I know that the sun don't shine,  
Down on every man,  
But when the woman let my brother down,  
I swore one day, I'd land me mary.  
I swore I'd land me mary!
