Your love is hard and fast

Your love will always last

If it's you I need

I've got to pay the levy

Got to pay

'Cause your love's too heavy on me

And it's much too much to bear

If I ever leave you darlin'

I hope you see

That I really love you

But your love's too heavy on me

And it's much too much to bear

When I make love to you

Do all the things you want me to do

You never think of me

Always cry a bevy

Bevy of tears

'Cause your love's too heavy on me

And it's much too much to bear

There was a time I could give all I had to you

But my enthusiasm waned and I can't bear the pain

Of doing what I don't want to do

Much too much to bear

Your love is hard and fast

Your love will always last

If it's you I need

I've got to pay the levy

Got to pay

'Cause your love's too heavy on me

And it's much too much to bear

Who Much Too Much
