Well come on pretty baby, let's go out tonight  
Your ma won't have to worry, everything will be alright  
Don't let me hear you talking, just be there when I call  
'Cause what I do I do my way or it won't be done at all

Little girl, can you hear what I say?  
Yeah, I'm an easy-going guy but I always gotta have my way.

Yeah I was born a tiger, always have my way  
Don't ever try to change me this or any other day  
Don't let me hear you argue with things I say I do  
Don't give me no trouble or you and I are through

Little girl, can you hear what I say?  
Yeah, I'm an easy-going guy but I always gotta have my way.

Well come on pretty baby, let's go out tonight  
Your ma won't have to worry, everything will be alright  
Don't let me hear you talking, just be there when I call  
'Cause what I do I do my way or it won't be done at all

Little girl, can you hear what I say?  
Yeah, I'm an easy-going guy but I always gotta have my way.

I'm an easy-going guy but I always gotta have my way.  
You better believe it baby!  
You better believe it baby!
