Odorono

She sang the best she'd  
ever sang  
She couldn't ever sing  
any better  
But Mister Davidson  
never rang  
She knew he would  
forget her

She'd seen him there  
And put herself to  
ransom  
He had stared  
He really was quite  
handsome

She had really looked  
her best  
She couldn't ever look  
any better  
But she knew she'd  
failed the test  
She knew he would  
forget her

Triumphant was the way  
she felt  
As she acknowledged the  
applause  
Triumphant was the way  
she'd felt  
When she saw him at the  
dressing room door

She was happier than  
she'd ever been  
As he praised her for  
her grace  
But his expression

changed, she had seen  
As he leant to kiss her  
face

It ended there  
He claimed a late  
appointment  
She quickly turned  
To hide her  
disappointment

She ripped her  
glittering gown  
Couldn't face another  
show, no  
Her deodorant had let  
her down  
She should have used  
Odorono

Odorono could have  
saved your day  
Could have helped her  
to get the part  
Odorono and he would  
have stay  
To help her to save her  
heart
