Our love was ... Our love was famine, frustration We  
only acted out an imitation Of what real love should  
have been Then suddenly ... Our love was flying Our  
love was soaring Our love was shining Like a summer  
morning Flying, soaring Shining morning Never leaving  
Lying, dying Love love love long Love love love long  
Love love love long Love love love long Love love love  
long Love love love long Love love love long Love love  
love long Love love love long Love love love long Love  
love love long Love love love long Our love was flying  
Our love was soaring Our love was shining Like a  
summer morning Our love was famine, frustration We  
only acted out an imitation Of what real love should  
have been And then suddenly ... Our love was flying  
Our love was soaring Our love was shining Like a  
summer morning
