Out in the street
I'm talkin' 'bout slowly
I'm not gonna rest
Woman, you don't know me
Yeah, you don't know me, no
Know me, no
Know me, no
Yeah, but I'm a-gonna know you
Hey listen, woman
You just can't throw me
I won't stand it
If you don't know me
If you don't know me, no
Know me, no
Know me, no
Yeah, but I'm a-gonna know you
Listen to me
I'm telling you
You look at me, woman
Yeah, tell the truth
I know your mind

I can see that you're in need
I'll show you woman
Yeah, that you belong to me
You're gonna know me, no
Know me, no
Know me, no
Yeah, I'm a-gonna know you
Give me no reasons
Said you'd go free
It's not gonna be now
If you gotta know me
You're gonna know me now
Know me now
Know me now
Yeah, you're gonna know me
