Ba dabba dabba dabba dabba da

Some way, some day, I'll find a way
To make you see my way

Even if you don't think like I do
You know that it's true
It's your mind that I seek

Tried so hard to make me think my point of view was
bad
Although at times when you kept on
I Ba dabba
thought dabba
that dabba
I dabba
was daaaa-
mad -aaaa

I'm glad it's goodbye
You don't have to ask why
Come back another day
Come back when you see my way
You see my way

Tried so hard to make me think my point of view was
bad
Although at times when you kept on
I Ba dabba
thought dabba
that dabba
I dabba
was daaaa-
mad -aaaa

Some way, some day, I'll find a way
To make you see my way

I'm glad it's goodbye
You don't have to ask why
Come back another day

Come back when you see my way
You see my way
You see my way
