I overwhelm as I approach you
Make your lungs hold breath inside!
Lovers break caresses for me
Love enhanced when I've gone by.
You'll feel me coming,
A new vibration
From afar you'll see me
I'm a sensation.
They worship me and all I touch
Hazy eyed they catch my glance,
Pleasant shudders shake their senses
My warm momentum throws their stance.
You'll feel me coming
A new vibration
From afar you'll see me
I'm a sensation.
I leave a trail of rooted people
Mesmerised by just the sight,
The few I touch are now disciples
Love as One I Am the Light...
Soon you'll see me can't you feel me

I'm coming...

Send your troubles dancing he knows the answer

I'm coming...

I'm a sensation.
