You appear and the morning looks drab in my eyes

And then again I'll turn down love

Having seen you again

Once more you'll disappear

My morning put to shame

You take away the breath I was keeping for sunrise

You appear and the morning looks drab in my eyes

And then again I'll turn down love

Having seen you again

Once more you'll disappear

My morning put to shame

Sometimes I fear that this will go on my life through

Each day I spend in an echoed vision of you

And then again I'll turn down love

Remembering your smile

My every day is spent

Thinking of you all the while

The times I've let myself down

My head's spinning 'round

My eyes see only you

The chances I've lost

Opportunities tossed

Away and into the blue

You take away the breath I was keeping for sunrise

You appear and the morning looks drab in my eyes

And then again I'll turn down love

Having seen you again

Then again you'll disappear

My morning put to shame
