Out here in the fields,
I fight for my meals,
I get my back into my living

I don't need to fight,
to prove I'm right,
And I don't need to be forgiven!

My kids ain't gonna break my heart,
My grief ain't gonna spoil their part,
This life just has to be a new one,
I'm gonna tan underneath a new sun.

Don't cry,
Don't raise your eye,
It's only teenage wasteland

Don't have the latest suit,
the long grass is my fruit,
I am really an ordinary man

The family is free,
to do just as they please,
we all sleep together in the caravan.

Hey you! Don't walk on the turnips!
My lord, when will they ever learn it?
Look there nations of traveling children
No where to go to escape the chill wind.

Don't cry,
Don't raise your eye,
It's only teenage wasteland

My kids ain't gonna break my heart,
My grief ain't gonna spoil their fun,
This life just has to be a new one,
I'm gonna tan underneath a new sun.

Sally, take my hand,
we'll travel south crossland,

put out the fire and don't you look past my shoulder.

The exodus is here,
the happy ones are near,
lets get home before we get older.

Teenage wasteland, teenage wasteland,
teenage wasteland, it's only teenage wasteland,
teenage wasteland, it's only teenage wasteland,
teenage wasteland, it's only teenage wasteland,
teenage wasteland, it's only teenage wasteland,
They're all wasted!
