That's fine, I know them all pretty well
But I know sometimes I must get out in the light
Better leave her behind with the kids, they're alright
The kids are alright
Sometimes, I feel I gotta get away
Bells chime, I know I gotta get away
And I know if I don't, I'll go out of my mind
Better leave her behind with the kids, they're alright
The kids are alright
I know if I go things would be a lot better for her
I had things planned, but her folks wouldn't let her
I don't mind other guys dancing with my girl
That's fine, I know them all pretty well
But I know sometimes I must get out in the light
Better leave her behind with the kids, they're alright
The kids are alright
Sometimes, I feel I gotta get away
Bells chime, I know I gotta get away
And I know if I don't, I'll go out of my mind
Better leave her behind with the kids, they're alright
The kids are alright
