Whiskey Man's my friend, he's with me nearly all the  
time  
He always joins me when I drink, and we get on just  
fine

Nobody has ever seen him, I'm the only one  
Seemingly I must be mad, Insanity is fun  
If that's the way it's done

Doctors say he just a figment of my twisted mind  
If they can't see my Whiskey Man they must be going  
blind

Two men dressed in white collected me two days ago  
They said there's only room for one and Whiskey Man  
can't go

Whiskey Man will waste away if he's left on his own  
I can't even ring him 'cause he isn't on the phone  
Hasn't got a home

Life is very gloomy in my little padded cell  
It's a shame there wasn't room for Whiskey Man as well

Whiskey Man's my friend, he's with me nearly all the  
time  
He always joins me when I drink, and we get on just  
fine  
Just fine
