We're making music we're doing fine

Then a slap in the face takes me back to the starting  
line

You - your wasting my life

You can't lose what you've already lost

Your arms are open but your legs are crossed

Save me - save me

I'm going down for the third time

Save me - save me

Somebody throw me my next line

Too hot for me to handle

So cold I'm getting nowhere

Pinch me to see if I'm sleeping

Maybe it's only a nightmare

You - why did it have to be you?

Of all those girls I had to choose

You win and I lose

You - you with the poisonous eyes

One look and I'm hooked

One touch and my goose is cooked

Save me - save me

I'm going down for the third time

Save me - save me

Somebody throw me a life line

Too late to change partners

Too late you've got no chance

Too late to change partners

Too late to say I don't dance

You - there's a name for girls like you

You lead me on like a lamb to the slaughter

Then you act like a fish out of water

You - there's a name for girls like you

You've coming on like a steam train

Then you blow me away just like a hurricane

Save me - save me

I'm going down for the last time

Save me - save me

Somebody throw me a lifeline

Save me I'm falling

From the top of the page to the next line

Save me I'm burning

From tips of my toes to my hairline

Too hot for me to handle

So cold I'm getting nowhere

Pinch me to see if I'm sleeping

Maybe it's only a nightmare.
