Lyrics - "So Complicated" - written by 11 year old Anna Graceman

Crystal chandelier hangin' over my head, the sweet echo sound of the mansions dread,  
I don't know whether to go back or to stay.

What Do I Do?

No turnin' back should I run away? Everyone thinks I'm insane, goin' back would be wrong anyway.

What do I doooooooooo?

Why is it so complicated? You and I outdated  
Colors faded Leave me standin' here irritated  
Now we're far apart separated. complicated  
Why is it so complicated?

I'm so ashamed right now my head is pointing down  
hear those voice in my head right now there arguin' there arguin'  
Now I'm standin' in an empty room wonderin' what to do  
Hear the echo of my cry should I say good-bye good-bye

Why is it so complicated? You and I outdated  
Colors faded  
Leave me standin' here irritated  
Now we're far apart separated complicated  
Why is it so complicated?

I'm at a fork in the road somebody point which way to go what I choose today makes my forever...  
What do I do?

Why is it so complicated? You and I outdated  
Colors fadeeeeeeeeeaaaaad

Crystal chandelier hangin' over my head, the sweet echo sound of the mansions dread,  
I don't know whether to go back or to stayyayyaa  
I'm so ashamed right now my head is pointing down hear those voice in my head right now there  
arguin' there arguin'

Why is it so complicated? You and I outdated  
Colors faded

Leave me standin' here. irritated.  
Now we're far apart separated. complicated  
Why is it so complicated?
