She woke from a dream
Her head was on fire
Why was he so nervous?

He took her to the park
She crossed her arms and
Lowered her eye lids

Someday somebody's gonna ask you
A question that you should say yes to
Once in your life
Maybe tonight, I've got a question for you

She'd had no idea
Started to cry
She said in a good way

He took her by the hand
Walked her back home
They took the long way

Someday somebody's gonna ask you
A question that you should say yes to
Once in your life
Maybe tonight, I've got a question for you

Someday somebody's gonna ask you
A question that you should say yes to
Once in your life
Maybe tonight, I've got a question for you

Once in your life
Maybe tonight, I've got a question for you

I've got a question for you
