Hush-a-bye
Don't you cry
Go to sleepy little baby
When you awake
We will have cake
And all the pretty little horsies
Dun and bay, sorrel and grey
And all the six white horsies
Dun and bay, sorrel and grey
And all the pretty little horsies

Mama gone and daddy gone
Oh, we miss our little baby
When you awake
We will have cake
And all the pretty little horsies
Dun and bay, sorrel and grey
And all the six white horsies
Dun and bay, sorrel and grey
And all the pretty little horsies

Way down yonder, down in the meadow
Lies a poor little lamb
Bees and flies are plucking out it's eyes
Poor little lamb
Crying for it's mother
Crying for it's mother

So hush-a-bye
Don't you cry
Go to sleepy little baby
When you awake
We should have cake
And all these pretty little horsies
Dune and bay, sorrel and grey

And all the six white horsie
Dune and bay, sorrel and grey
And all these pretty little horsies
the pretty little horsies
all the pretty little horsies
all the pretty little horsies
