When one is on a quest  
Life seems worthwhile  
Driven by force others cannot see  
When one completes the quest  
Life is fulfilled  
Some will become what they were  
Meant to be

One life, here on earth  
One chance to do  
All of the things that you need to do

Each man must realize  
In his own way  
You are the master of all you survey

Join us on the quest  
Oh Avatar!  
Join us on the quest

Everywhere you look these days  
You can find them there  
People living out there lives  
As if they do not care  
Can't they see it's wrong?  
Don't they hear the song?

Chorus

Sources, courses, forces a choice  
Visions, religions, decisions to make  
One life to live only one life to give only  
One chance to save only one world I say to you

Chorus

One life here on earth  
One chance to be  
All of the things that you need to be

If life seems too hard, Listen I say

Some will find love, truth and courage  
Become all that matter in life to the Father, the Brother,  
the Son

Once I'm alive  
I'll be set free  
Once I'm alive  
We'll be set free
