I've been tramped baby, I've been slammed around  
And around  
I've been fed baby, been misled been  
let down  
Working hard for so long girl you wouldn't believe  
Sweat in my eyes, sting like a bitch  
Choking on your disease  
I'm a shell shocked mongrel, battle fatigue  
First you blister, then you bleed  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
I've been shamed baby, I've been tamed into  
Submission  
I've been chained baby, I've been lamed in this  
Condition  
Guitar player broken hands, crushed in two  
Welts on my back, my eyes are black  
But my bulge is true  
Too hungry to eat, too thirsty too drink  
Too tired to sleep, too stupid to think  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
Time to light a fire  
Time to take it higher and higher  
I've been shamed baby, I've been tamed  
I've been chained baby, I've been lamed  
Welts on my back, my eyes are black  
My balls are blue, what's it to you  
You say that you'll be mine tonight  
But little darling's gonna have to put up a fight  
Too hungry to eat, too thirsty too drink  
Too tired to sleep, too stupid to think  
Beat to Death... Beat to death like a dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog

Beat to Death like a Dog  
Beat to Death like a Dog  
I've been chained and beaten  
I've been kicked in the head  
I've been taken for granted  
Left in the gutter, thought I was dead  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog  
Beat to Death like a Dog
