Queen of denial, sex plain Jane  
I'm a little bit crazy but you're insane

Two lane highway, take the middle lane  
Forever in a hurry, always being late  
Walk like a lady, talking like a man  
You say that you're a princess but they call you a  
madame

Take a long, long ride with yourself  
Do you like the company?  
Take a long, long ride with yourself  
Do you like what you see?

Teasin' old men, pleasin' little boys  
You say that you're discrete  
But you're makin' too much noise  
Run up a tab, pullin' down your top  
You say it's time to party  
But you don't know when to stop

Take a long, long ride with yourself  
Do you like the company?  
Take a long, long ride with yourself  
Do you like what you see?  
Take a long, long ride with yourself  
Take a long, long ride, take a long, long ride

Take a long, long ride with yourself  
Do you like the company?  
Take a long, long ride with yourself  
Do you like what you see?  
Take a long, long ride with yourself  
Take a long, long ride, take a long, long ride

Take a long, long ride  
(Ride with yourself)  
Take a long, long ride  
(Ride with yourself)

Do you like what you see?  
(Ride with yourself)

Take a long ride

Take a long, long ride  
(Ride with yourself)  
Let's see how you ride  
(Ride with yourself)

Take a long ride  
(Ride with yourself)  
Well you can ride on this
