Susie had a razor
But Jimmy, he had a gun
She tried to end it all one day
He helped her get it done
She was no more than fifteen
But Jimmy, he was a man
She heard the neighbors whispering
'Twas more than she could stand
Too much talk
It's not a question of love that's lost
It's not a question of things gone wrong
It's just too much talk...too much
Jimmy, he was a loner
But Susie, she was his friend
She tried her best to please him
Until the very end
Yeah when the gunshots screamed through the air that
night
And Susie's long blond hair turned red that night
Too much talk
It's not a question of love that's lost
It's not a question of things gone wrong
It's just too much talk
Too much talk
It's not a question of love that's lost
It's not a question of things gone wrong
It's just too much talk, it's just too much talk, too much
talk
Susie had a razor
But Jimmy, he had a gun
She tried to end it all one day
He helped her get it done
Yeah when the gunshots screamed
Yeah when the gunshots screamed
Too much talk
It's not a question of love that's lost
It's not a question of things gone wrong
It's just too much talk
Too much talk
It's not a question of love that's lost
It's not a question of things gone wrong
It's just too much talk, it's just too much talk, too much

talk
Too much talk
It's not a question of love that's lost
It's not a question of things gone wrong
It's just too much talk
