Summer loving had me a blast  
Summer loving happened so fast  
'Met a girl crazy for me  
'Met a boy cute as can be  
Summer days drifting away to oh oh the summer nights

Tell me more, tell me more  
Did you get very far  
Tell me more, tell me more  
Like does he have a car

She swam by me, she got a cramp  
He ran by me, got my suit damp  
I saved her life, she nearly drown  
He showed off splashing around  
Summer sun, something's begun but oh oh the summer nights

Tell me more, tell me more  
Was it love at first sight  
Tell me more, tell me more  
Did she put up a fight

Took her bowling in the arcade  
We went strolling, drank lemonade  
We made out under the dark  
We stayed out till ten o'clock  
Summer flying don't mean a thing but oh oh the summer nights

Tell me more, tell me more  
But you don't gotta brag  
Tell me more, tell me more  
Cause he sounds like a drag

He got friendly, holding my hand  
She got friendly, down in the sand  
She was sweet, just turned eighteen

Well she was good, you know I mean  
Summer heat, boys and girls meet but oh oh the summer nights

Tell me more, tell me more  
how much dough did he spend  
Tell me more, tell me more  
Could she get me a friend

It turned colder, that's where it ends  
So I told her we'd still be friends  
Then we made our true love vow  
Wonder what she's doing now  
Summer dreams ripped at the seams but oh those summer nights

Tell me more, tell me more
