Heartaches, I've had my shares of heartaches, but I'm still here  
Trouble, I've seen my share of troubles, but I'm still here  
Bruises, I've taken my lumps & bruises, but I'm still here  
Loneliness, I've had my share of loneliness, but I'm still here

Through it all I've made it through another day's journey, God kept me here  
I've made it through another days journey, God kept me here

Lied on, many times I've been lied on, but I'm still here  
Burdens, I had to bare so many burdens, but I'm still here  
Dark days, I've had my share of dark days, but I'm still here  
Disappointments, I've had so many disappointments, but I'm still here

Chorus

It's by the grace of God, that I'm still here today  
He was always there, no matter what came my way  
I felt the presence of him, in my time of need  
Standing right there, just to seal my faith

Chorus

I made it (I made it)  
I made it (yes, I made it)  
I'm still here (I'm still here)  
A lot of folks say that I wouldn't be here tonight, but I made it (I made it)  
By the grace of God , yall (yes, I made it)  
I'm still here (I'm still here)

I have to lay awake in the midnight hour sometimes,  
tossing & turning (I made it)

All night long (yes, I made)  
Have anyone had to lay awake all night long sometime  
(I'm still here)  
Tears in your eyes wandering what the next day was  
gonna bring (I made it)  
God kept has arms around you, yes he did (yes, I made  
it)  
You made through the trails (I'm still here)

Come on let me see those hands in the air  
I made it, I made it (I made it)  
I made it, I made it (yes, I made it)  
I made it, I made it (I'm still here)  
Through it all (through it all i'z ½ I'm still hereeee
