We-ell, I can't quit you baby, but I got to put you down a
little while

We-ell, I can't quit you baby, but I got to put you down a
little while

We-ell you done made me mess up my happy home,
made me mistreat my only child

Ah, when you hear me moanin' and groanin', whoa you
know it hurts me way down inside

Whoa when you hear me moanin' and groanin', you
know it hurts way down inside

Oh when you hear me howlin', ooh you know my love
will never die, alright

Well when you see me cryin', don't let my tears fall in
vain

Well when you see me cryin', darlin', please don't let my
tears fall in vain

Lord, I don't know what to do, you know my heart is
filled with pain

Whoa, when you hear me howlin', baby, you know it
hurts way down inside
