Ridin' the Bluegrass Express
Ridin the Bluegrass Express
This train will soon be gone
And I'm goin home
On the Bluegrass Express

He'll cross the river in New Port Town
Louisville, Lexington, he's south bound
Richmond, Winchester, Bowling Green
Prettiest place I've ever seen

Ridin' the Bluegrass Express
Ridin the Bluegrass Express
This train will soon be gone
And I'm goin home
On the Bluegrass Express

Ridin' the Bluegrass Express
Ridin the Bluegrass Express
This train will soon be gone
And I'm goin home
On the Bluegrass Express

Ridin' the Bluegrass Express
Ridin the Bluegrass Express
This train will soon be gone
And I'm goin home
On the Bluegrass Express
And I'm goin home
On the Bluegrass Express
