VERSE:

When times get rough, when times get tough
I need someone to hold it down.
When I fall, reach for your hand, know your always
around.
You're my best friend, you're my lover, you're my
everything. I couldn't ask for any more then all the love
you bring.

Bridge:

I don't care if the whole world knows, every morning I
wake up this feeling grows.
I really believe you the one for me (the one for me)

Hook:

For all the times I thought that the pain would never
end, thought I'd never love again
Boy your love it makes me feel (So Complete)
I think this time is for real (You got me weak)
Boy your love it makes me feel (So Complete)
I think this time is for real (You got me weak)

Verse:

I know that I aint always easy to love, and many times
someone has tried to come between us. I got an angel
by my side, a man who does me right. A love like this I
never thought I'd find.

Repeat Bridge & Hook

Alternate Hook

If I'd known back then, that this is what love meant. I
was young and innocent
Boy your love it makes me feel (so complete)
I think this time is for real (you got me weak)
