I'll speak to you  
But don't you look into my eyes  
All my flesh will burn  
I'm here to warn you

Children it's your turn  
Feel the night, live the night  
'Til the dawn breaks  
Feel the night, live the night  
'Til the dawn breaks

I can't protect you  
Oh be wary of the lights  
For they mean you harm  
Stay with thy night loves  
Wallow in it's charm  
Be you ready for the storm  
Gather your fern  
I'm here to warn you  
Children it's your turn

Feel the night, live the night  
'Til the dawn breaks  
Feel the night, live the night  
'Til the dawn breaks  
Oh I feel the night, I feel the night  
'Til the dawn breaks  
Oooh feel the night, Ohh live the night  
'Til the dawn breaks  
Well I can't protect you  
So be ready for the storm  
Gather your fern  
I'm here to warn you

Children it's your turn  
I'll speak to you  
But my flesh will burn  
Ooh, I'm here to warn you  
Children it's your turn  
Children it's your turn  
Children it's your turn

I'm here to warn you

Children it's your turn
