You can see your life
For only a penny
Close your eyes
Let time stand still
Listen to the wind
Whispering the answers
To the questions remaining inside

It's been so many years
Since I was a child
With so many choices in life
Now that I am old and wise
I realize I can't turn back
The hands of time

Fly away to tomorrow
In your mind, seek the truth
The future is bright
Dreams are endless
Forever waiting
In the power of You
The power of You

Don't let go
Of who you want to be
It's not too late
To change the path you take
Look into my eyes
Realize the lines in the sand
Were made by you

Fly away to tomorrow
In your mind, seek the truth
The future is bright
Dreams are endless
Forever waiting
The power of You

It's been so many years
Since I was a child
With so many choices in life

Now that I am old and wise
I realize I can't turn back
The hands of time

Fly away to tomorrow
In your mind, seek the truth
The future is bright
Dreams are endless
Forever waiting
The power of You
The power of You
Don't let go
Of who you want to be
