Dreaming comes so easily  
Cause it's all that I've known  
True love is a fairytale  
I'm damaged, so how would I know?  
I'm scared, and I'm alone  
I'm ashamed and I need for you to know

I didn't say all the things that I wanted to say  
And you can't take back what you have taken away  
Cause I feel you  
I feel you in me

I didn't say all the things that I wanted to say  
And you can't take back what you have taken away  
Cause I feel you  
I feel you in me

Keep going...  
Keep going... (Can't go back)  
Keep going...  
Keep going... (Can't go back)

Can't go back  
Can't go back  
Can't go back  
Can't go back

Healing comes so painfully  
And it chills to the bone  
Won't let anyone get close to me  
I'm damaged as I'm sure you've known  
I'm scared, and I'm alone  
I'm ashamed and I need for you to know

I didn't say all the things that I wanted to say  
And you can't take back what you have taken away  
Cause I feel you  
I feel you in me

I didn't say all the things that I wanted to say  
And you can't take back what you have taken away

Cause I feel you  
I feel you in me

Keep going...  
Keep going... (Can't go back)  
Keep going...  
Keep going... (Can't go back)

Can't go back  
Can't go back  
Can't go back  
Can't go back

Can't go back  
Can't go back  
Can't go back  
Can't go back

There's only from my soul  
And under this fear  
Forgiveness falling back; I was stronger  
I was just a little girl  
But I can't go back  
I can't go back
