On Your Face  
--Earth, Wind and Fire

Oh, Ooo, Oh, Ooo, Oh, Ooo, Oh

M: Ain't it funny that the way you feel shows on your face  
And no matter how you try to hide, it states your case  
Now a frown will bring your spirits down to the ground  
And never let you see the good things all around  
Every time we seem to let our feelings flow  
Our luck run out, and the wind won't blow

P: But, that can't make me sad  
Just can't make me, whoa, oh  
Cause I've been there before  
Don't wanna go no more  
The world can't take me  
Won't let it drive me mad  
Sadness bears no remedy for the problems in your life  
While you run your race, keep a smilin' face  
Help you set your pace

Oh, Ooo, Oh, Ooo, Oh, Ooo, Oh

M: Wish upon a sunny day, it'll turn to rain  
Use the sunshine in your heart to ease the pain  
We wonder how your attitude is going down  
Is it wakin' and shakin' and safe and sound  
Every time we seem to let our feelings flow  
Our luck runs out and the wind won't blow

P: But, that can't make me sad  
That can't make me, whoa, oh  
Cause I've been there before  
Don't wanna go no more  
The world can't take me  
Won't let it drive me mad  
Sadness bears no remedy for the problems in your life  
While you run your race, keep a smilin' face  
Life is on your case

M: Yes it is, yeah

P: This world can't shake me, this world can't shake me  
Bad times can't make me sad, whoa, oh  
Cause I've been there before  
Don't wanna go no more  
The world can't take me  
Won't let it drive me mad

Oh, Ooo, Oh, Ooo, Oh, Ooo, Oh

P: You can't shake me, the way I feel today  
Come tomorrow I'll feel the same ol' way

M: Ain't it funny that the way you feel shows on your  
face?

P: Wake me! My heart is feelin' glad  
I'll take you with me when you're feelin' bad

M: Use the sunshine in your heart

P: You can't shake me what I feel today  
Come tomorrow I'll feel the same ol' way

M: I start to wonder what's going down  
Feelin' it, Feelin' it

P: My heart is feelin' glad  
I'll take you with me when you're feelin' bad

M: I start to wonder what's going down  
In your life, is it safe and sound?  
I start to wonder if your life's all right  
Are you dealing with it everyday or does it cause you  
strife?

(ad-lib and fade out)
