When man was lost and could not see you shown the
light to set us free
You broke the chains of slavery
Everyone is equal before the almighty

We say salam to Al-Amin you guided us
To the perfect deen
Lets say

Allah Allah Allah Ya Allah Muhammad ya rasullallah
Allah Allah Allah Ya Allah Muhammad ya habihallah
Allah Allah Allah Ya Allah Muhammad ya rasullallah
Allah Allah Allah Ya Allah Muhammad ya habiballah

Your noble face always had a smile
You walked with grace, gentle as a ____
You taught us to be a mercy to mankind
You spread God's peace through out all the lands

We say salam to Al-Amin you guided us
To the perfect deen
Lets say

Allah Allah Allah Ya Allah Muhammad ya rasullallah
Allah Allah Allah Ya Allah Muhammad ya habihallah
Allah Allah Allah Ya Allah Muhammad ya rasullallah
Allah Allah Allah Ya Allah Muhammad ya habiballah

I try to stay strong and stay true to your way cuz I want
you to be please
With me

We say salam to Al-Amin you guided us
To perfect deen
Lets say

Allah Allah Allah Ya Allah Muhammad ya rasullallah
Allah Allah Allah Ya Allah Muhammad ya habihallah
Allah Allah Allah Ya Allah Muhammad ya rasullallah
Allah Allah Allah Ya Allah Muhammad ya habiballah
