If my time would end today would I be ready to go?  
And leave all the things I've worked so hard for  
And all my friends and everyone I've known?  
Never did I ever stop for a moment to think  
Of what's staring at me  
I've been breaking all the mirrors of reality

(Chorus):

I'm so sorry, if only I had just one last chance  
I'm so sorry, but now it's too late to change the past, oh

I lived my life in the fast lane, I only lived for today  
And never, never really thought about anyone else  
It was all about me, myself and I  
Never did I ever stop for a moment to think  
Of what's staring at me  
I've been breaking all the mirrors of reality, oh

(Chorus)

And now, now that it's over  
I wonder if anyone will remember me  
If I had the chance to turn back the hands of time  
There are so many things that I would change  
I'd live my life, every single breath... for You

(Piano Solo)

(Chorus)

(Outro):

I'm so sorry, so sorry  
Please forgive me
