Everytime I think of you  
You always make me smile  
Whenever I feel down  
You know how to cheer me up

And everytime I feel confused  
And I don't know which way to choose  
One things for sure  
I can always count on you

When I am near  
Or when I'm far  
Or when I'm completely lost...

In my heart I have no fear  
Cos you're my guiding star, oh!

[Chorus]:  
Mamma  
You know that I love you  
No matter what I  
Say or do  
I can never thank you, oh  
Mamma  
You know that I love you  
You are the proof  
Of what love can do  
Truly you are Gods miracle

You're my shelter from the rain,  
You're the shoulder I cry on  
Whenever I feel pain  
One touch from you and the pain is gone!

And all I've ever dreamed to be  
Is to make you proud of me  
Cos never once  
Did you turn your back on me

Your healing words,  
Your tender touch

The warmth of your embrace...

The beauty of your soul  
Shines through your loving face!

[Chorus]

[Bridge]:

Your name  
Was there first word I've ever spoken  
You held my hand  
Through the first steps I've taken, oh...  
When I wasn't well  
You watched me through the night  
That is why  
Paradise is under  
Your feet

[Chorus] [x3]
