I had another accident last night
I tripped over a soul in flight
Must've dented the ship
'Cause my memory fades
While I patch the damage
Tell me of your escapades

I dreamed I was an animal
In a human world
Now when I hear big sounds
I cry like a little girl

I'm talking about connections
Between here and there
All things exist at once
Seems more than we can bear

Mia ia io
Mia ia io

Tell me all the plans
You have for the great beyond
Will you be physical again
Or be a cosmic vagabond

I took a little back road
To fame
I'm still traveling now
But I'm free of shame

I had another accident last night
I tripped over a soul in flight
Must've dented the ship
'cause my memory fades
While I patch the damage
Tell me of your escapades

Mia ia io
Mia ia io
Mia ia io
Mia ia io

Mia ia io
Mia ia io
