Oh how I could keep you  
Inside a case of glass  
Filled with smells of sweet  
With handles made of brass  
I'd keep you from cruel world  
Living safe and warm  
I'd lie and watch you breathe  
Protect and love your form  
If you ever wander  
I pray that you will find  
A love equal in power  
With limits undefined

But such a lack of nobility  
Would be a deed unjust  
But I want to keep my faith in love  
And sadly so, I must  
So if you ever wander  
I pray that you will find  
A love equal in power  
With limits undefined  
If you ever wander  
I pray that you will find  
A love equal in power  
With limits undefined  
But I could keep you  
Inside a case of glass
