Yes they can say "She's not so great"  
That they could do the very same  
I am a legend in my  
A legend in my own mind  
Ooh I can feel all that I sing  
I can do almost anything  
I am a legend in my  
A legend in my own mind  
I have a brain that's taken me to the core of the world  
I've been to Anglo-land and lived beyond the castle  
wall  
So pooh on you  
Ooh it's inside my active mind  
That I am one of a kind  
I am a legend in my  
A legend in my own mind

I wish that you would all agree  
That I'm impeccably me  
Make me a legend in your  
A legend in all your minds

I am a witch who lived before your time  
I am a prince and this forest is mine  
So pooh on you  
Yes they can say "She's not so great"  
That they could do the very same  
I am a legend in my  
A legend in my own mind  
'Cause I can feel all that I sing  
I can do almost anything  
I am a legend in my  
A legend in my own mind  
I have a brain that's taken me to the core of the world  
I've been to Anglo-land and lived beyond the castle  
wall

So pooh on you  
Ooh it's inside my active mind  
That I am one of a kind  
I am a legend in my

A legend in my own mind  
I am a legend in my  
A legend in my own mind  
I am a legend in my  
A legend in my own mind  
Make me a legend in your  
A legend in all your minds
