Visit "[Step Inside](#)" on [MotoLyrics.com](http://MotoLyrics.com)

All's quiet now  
Step inside, step inside

All's quiet now  
Step inside, step inside  
My mind  
Experience the other side

I'm crying now  
Step inside, step inside  
I'm crying now  
Step inside, step inside  
My mind  
Experience the other side  
You're never safe in this atmosphere  
Do you want to be?  
You could be trapped inside of me  
Do you want to be?  
Are you alone?  
Step inside, step inside  
All alone?  
Step inside, step inside  
My mind  
Experience the other side

You're never safe in this atmosphere  
Do you want to be?  
You could be trapped inside of me  
Do you want to be?

Easily frightened?  
Step inside, step inside  
Easily frightened?  
Step inside, step inside  
My mind  
Experience the other side
